

about us

Our mission is to support, educate, empower, & advocate for Lesbian, Gay, Bi, Transgender, & Questioning (LGBTQ+) children, teenagers, young adults, families, friends, and our allies at affirming Summer camps & other supportive programs.

individuality

We encourage campers to express themselves as who they truly are, because the things that make them unique are what makes them beautiful.

community

We promote the importance of support and acceptance between campers in order to create a healthier community and brighter future.

activity

Throughout a camper's stay, we encourage engagement in activities that promote positive wellbeing and mental health

collaborative support **Behavioral Health-Works Project**

Diversity Camp is partnering with Virginia Tech and Carilion to host a research project to benefit LGBTQ+ youth mental health. This project aims to better understand the mental health needs of our community to provide better services for LGBTQ+ youth in SWVA. This project is funded by the National Institute of Mental Health.

supported by **Ladies & Gents of the Blue Ridge**

We are supported by the Ladies & Gents of the Blue Ridge; a transgender alliance focused on providing peer and community support for trans individuals in southwest Virginia. The group supports and participates in LGBT events, and encourages alliance and community in the Blue Ridge Mountains.
